

March 16th, 2010 Auction:

LVG would like to thank all of our bidders and consigners for coming out and helping us make this past auction such a successful sale. The weather was warm and sunny for March and over 1,000 bidders came on site to bid on the heavy equipment and machinery. LVG has over 30 years of professional auction and appraisal experience and this sale of course could not have been possible without you.

Online bidding has also come a long way in the past year. This sale, we had a record number of online bidders from across North America and other parts of the world watching and bidding on sale items live at their computers; over 175 bidders registered online from their home or office to catch the sale. Online bidding has become much more popular mainly due to how easy and fast it has become to register, get approved, and start bidding. It is also convenient if you are busy on one of our auction days and cannot make it to the sale. If you do not wish to bid on any lots but still want to watch the sale from your home or office, you can still view it online without having to register. For more information on online bidding, visit www.proxybid.com/lvg.

Upcoming Auctions:

- Thursday, May 13th, 2010 @ 8:00 am
- Wednesday, June 30th, @ 8:00 am

Want to consign your equipment or find out what your equipment is worth at the auction? Give one of our sales representatives a call. We can custom make a proposal on your equipment to suit your needs.
